WARLI VERSE

TRANSLATING WARLI STORYTELLING INTO CONTEMPORARY DISPLAY TYPOGRAPHY

TYPEFACE DESIGN PROJECT
BY ARCHIE SALUJA

01

Theme & Inspiration

Translating the geometric simplicity and communal storytelling of Warli art into a contemporary display typeface.

CORE INSPIRATIONS

GEOMETRY
Circles, triangles and rhythmic line structures.

SIMPLICITY
Minimal forms inspired by the essence of hand-drawn Warli compositions.

COMMUNITY
Flow, movement and interconnected visual storytelling.

03

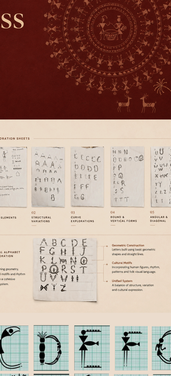
Typeface References

A study of contemporary and tribal-inspired display typefaces that explore geometry, rhythm, and cultural symbolism.

TRIBAL INFLUENCE
Hand-drawn, irregular forms inspired by Warli motifs.

GEOMETRIC BASE
Structured shapes built on simple circles, lines and triangles.

MODULAR CONSTRUCTION
Built using repeatable components for consistency.



TRIBAL INFLUENCE
Rich hand-painted, animated look and texture.

CORE CHARACTERISTICS
Expressive forms that capture the spirit of tribal art.

06
INITIAL ALPHABET EXPLORATION

Combining geometric, cultural motifs and rhythm to form a cohesive letter system.

- Geometric Construction
Letters built using basic geometric shapes and straight lines.
- Fluidity & Flexibility
Incorporating human figures, rhythm, patterns and folk visual language.
- Unified System
Maintaining consistency, variation and cultural expression.

STEP 04

Final Letter Set

A COMPLETE ALPHABET SYSTEM INSPIRED BY WARLI ART.

A modern display typeface that translates the geometry and storytelling of Warli art into a bold, expressive alphabet.
